Important Things to Remember at NAE NADAC Trials

- ✓ Dogs must run “naked”, without a collar or lead. If you see someone go to the start line with a collar on the dog, it's ok to remind them to take it off.
- ✓ No food, toys, or other training device may be used within ten feet of the ring. **ABSOLUTELY NO CLICKERS OR SQUEAKY TOYS ARE ALLOWED ANYWHERE ON SITE.**
- ✓ Dogs must enter and exit the ring on leash and under control. At the judge’s direction you will be asked to enter the ring and approach the start line before the previous dog and handler have finished their run. Please be on the line and ready to go when asked.
- ✓ The judge will start your run by saying “**GOOD LUCK**”. You should be at the start line and ready to go but should NOT remove the leash from your dog until you hear the judge say “GOOD LUCK”. There should be only one dog off leash in the ring at a time. You will be faulted if you remove the leash prior to hearing “GOOD LUCK”. When your run is finished please put the leash back on your dog as quickly as possible so that the next team may start their run.
- ✓ Please be respectful of the ring entrances and exits and leave those areas clear for dogs getting ready to run and exiting the ring.
- ✓ Please do not congregate in or near the administration area. No dogs are allowed in the administration area. This area is for the judge and NAE staff only. Thank you.
- ✓ Although YOUR dog might be friendly, you are expected to always keep an eye on your dog -- especially when entering or standing in a congested area -- to avoid any interactions with other dogs.
- ✓ It is distinctly understood that every dog at this event is in the care and custody and control of his owner or handler during the entire time the dog is on the show premises. No matter how well behaved your dog is, at no time are you allowed to walk away and leave your dog tied up or on a down stay.
- ✓ Clean-Up at the show site is a must! You will be asked to leave the site and your scores will not be sent to NADAC if you do not clean up after your dog(s).
- ✓ DO NOT allow your dog to urinate on anything that a human has to handle including, but not limited to, equipment, fencing, fence posts, garbage bags, etc. You will be asked to leave the site and your scores will not be sent to NADAC if you are caught. There are clean up buckets available if an accident occurs.
- ✓ HAVE FUN WITH YOUR DOGS, HUG THEM, AND THANK THEM FOR PLAYING WITH YOU! 😊
- ✓ Thank you for supporting our trial!

IMPORTANT-Notice to Exhibitors from NADAC

Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADACagility@yahoogroups.com list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the www.NADACagility@yahoogroups.com list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels

Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
