As Northeast Agility Enthusiasts, we are committed to offering fun, affordable, and uncomplicated trials. We want you have a relaxed, fun, and rewarding time with your dog(s). We also want our judges to have an enjoyable time. We want to ensure that they have enough help to "tweak" courses quickly, that dogs are on the line ready to run in an efficient manner, and that never will they have the need to set a bar between dogs' runs. We have tried to organize this event with these goals in mind, but there are only three of us and we really need your help! We will have a workers schedule posted, but things will move along even better if people pitch-in when things need to be done. While we don't want anyone to feel rushed or overworked, we believe that if everyone is mindful of what needs to be done to keep things moving, we can finish the day's courses with time and energy left to then sit back and celebrate a day of agility done well! The most important thing is that we all have fun with our dogs.

Thank you for supporting Northeast Agility Enthusiasts!
