NADAC Information

Notice to Exhibitors: This show will be held under the current rules and regulations of NADAC. Exhibitors, through submission of entry, acknowledge that they are knowledgeable of NADAC rules and regulations, and agree to abide by all rules in effect at the time of the trial. An exhibitor's handbook may be obtained from the NADAC website at www.nadac.com or by submitting a request to NADAC, P.O. Box 1206, Colbert, OK, 74733.

Categories, Divisions, Classes & Levels: Please visit the NADAC website at www.nadac.com for current rules and regulations.

Non-Jumping Classes-Veteran or Disabled Handler: Handlers aged 60 years or older or who have a disability that restricts mobility may opt to enter the non-jumping classes as a Veteran Handler, which would allow for a 10% increase in the standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

Skilled Category: As of January 1, 2009, when entering the Skilled Category all dogs must jump 4" lower than their Proficient, Standard Division jump height.

IMPORTANT

Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the files section of the NADACagility@yahoo.com list within two weeks after the NADAC office receives them from the club. The trial results will remain on the list for at least thirty (30) days. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. You can join the www.NADACagility@yahoo.com list and set your settings to "no mail". You will be able to view trial results and check for any possible discrepancies, without receiving list mail. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels

Points earned at a higher level of a class, prior to the completion of the lower level title, will not be banked by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.

As Northeast Agility Enthusiasts, we are committed to offering fun, affordable, and uncomplicated trials. We want you have a relaxed, fun, and rewarding time with your dog(s). We also want our judges to have an enjoyable time. We want to ensure that they have enough help to "tweak" courses quickly, that dogs are on the line ready to run in an efficient manner, and that never will they have the need to set a bar between dogs' runs. We have tried to organize this event with these goals in mind, but there are only three of us and we really need your help! We will have a workers schedule posted, but things will move along even better if people pitch-in when things need to be done. While we don't want anyone to feel rushed or overworked, we believe that if everyone is mindful of what needs to be done to keep things moving, we can finish the day's courses with time and energy left to then sit back and celebrate a day of agility done well! The most important thing is that we all have fun with our dogs.

Thank you for supporting Northeast Agility Enthusiasts!
